FINAL STAGE MESSAGE BY THE MAIN OAKLANDERS TO THEIR FLAG GAMES IN OCTOBER 2017 This message is sent out to our fans. We would like to give you an update on our progress toward bringing The Oakland Athletics home. We have come quite a way but there is still a long, long way to go in order to make sure we deliver all our fans on the field and into town at all times. This message comes from the President of the Oakland Raiders and our General Manager. Many people have been waiting for the chance to see the team home and are committed to seeing it. I would like to thank you for your patience and your support this year. We will work hard and we will succeed. It's only the start of us winning!.. It leaves one major remaining regulation out of ACA: limits on people buying insurance on the same policy to make up for lost market competition when the laws mandate the use of a different, larger pool of healthy people to buy a plan in the exchanges..
