X-Lite
The world's favorite free softphone.

Download X-Lite for free to demo the most popular features of eyeBeam 1.5 - and experience for yourself how easy VoIP communications can be.

A screenshot of the X-Lite software interface displayed on a mobile device. The interface is split into three panels. The left panel shows a video call in progress with a woman's face and text: "High-compression codecs", "Secure calls, QoS support", "Outlook integration", "6 lines, Transfer". The middle panel shows a call log with "Call established" and "Karen 10:21". The right panel shows a "Calls & Contacts" menu with "Available" status and a list of contacts under "Family" (Mom, Koko) and "Work" (Maynard Suzuki, Frank Chan, No Group, Ann). A red starburst graphic with the word "FREE" is overlaid on the top right of the device. A "Download Now" button is located below the text on the left.
